

Blockchain Incubation @ CI International Programs

Proposal for a Joint Proof of Concept Approach

KYL – Know Your Location (Location Data Mgmt.)

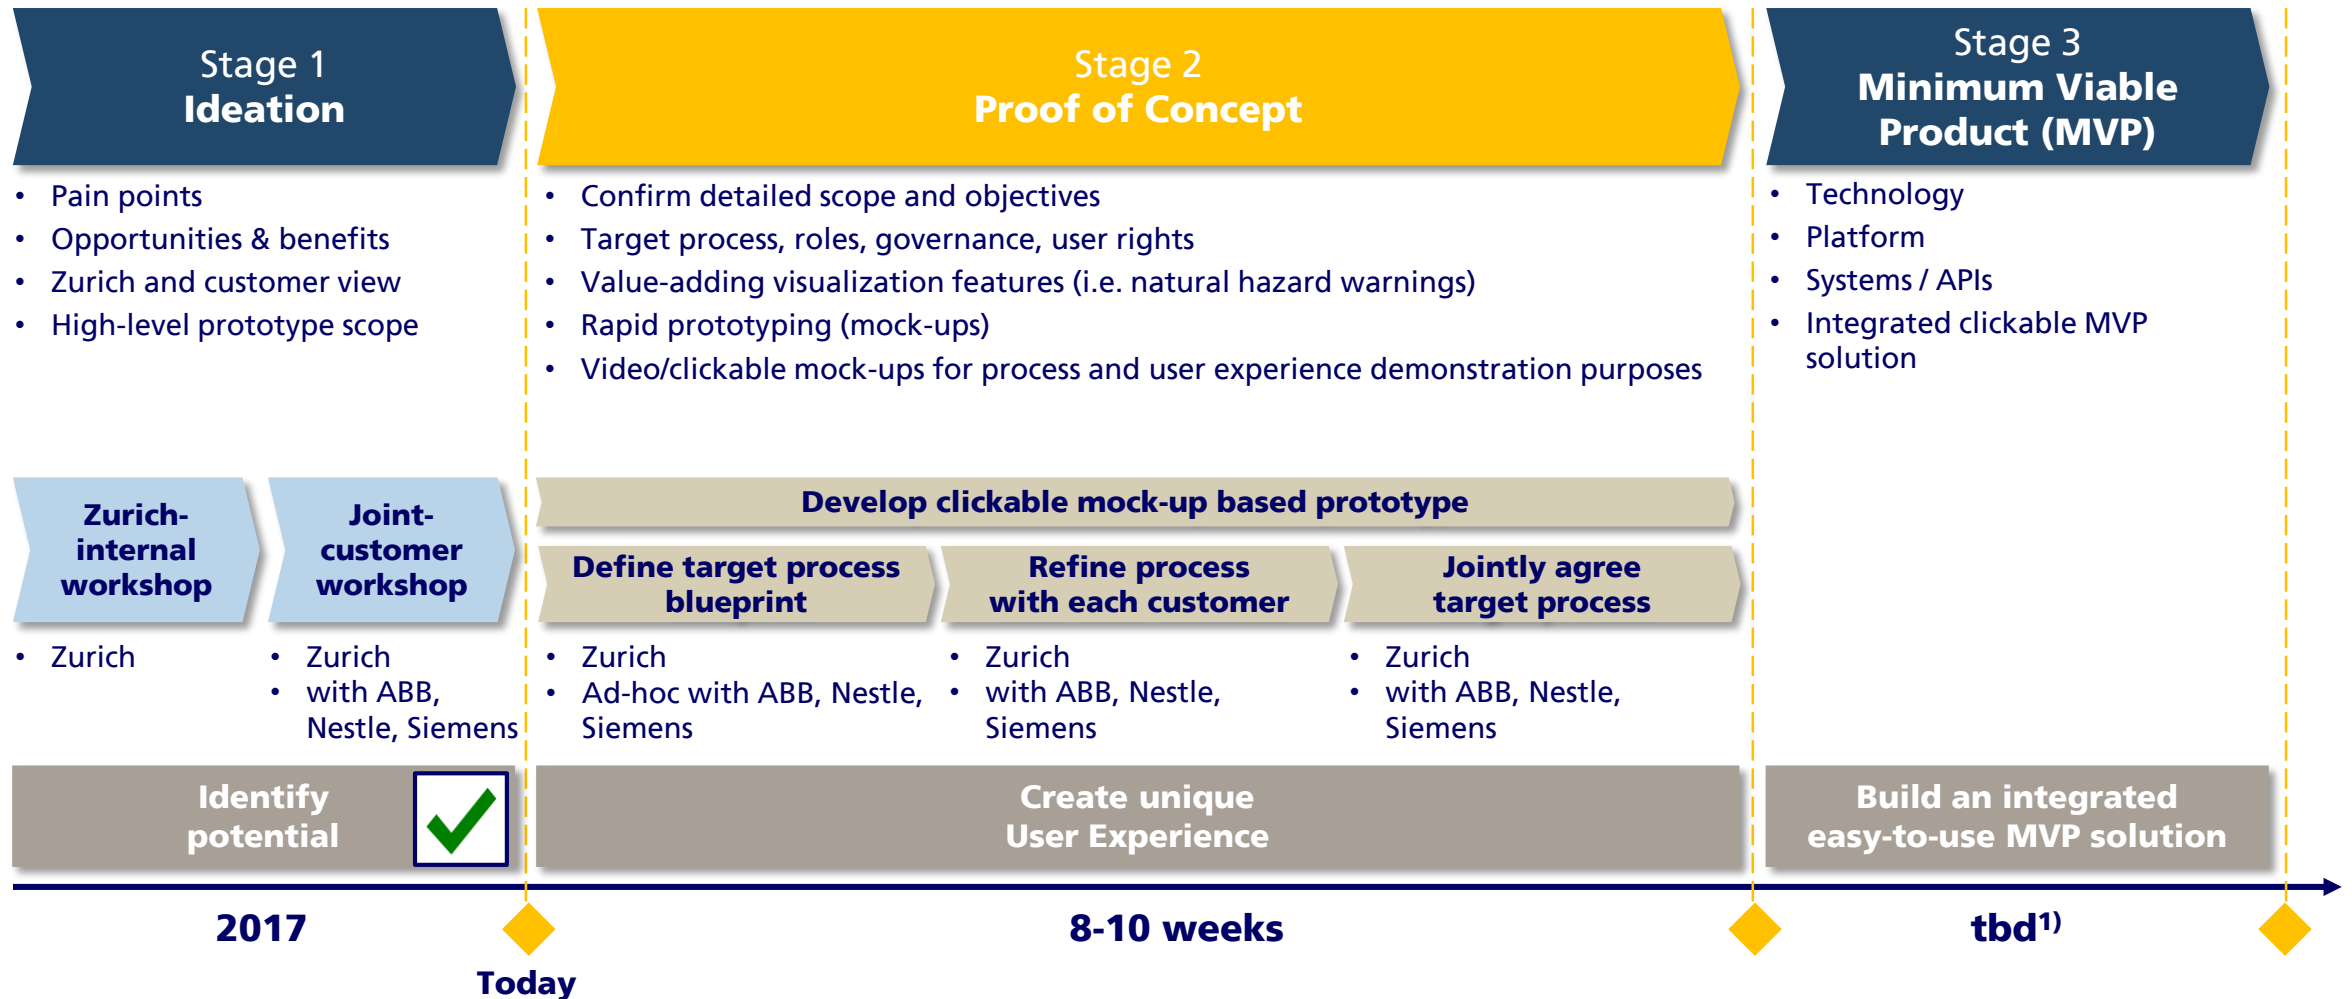

January, 2018

Commercial Insurance, International Programs

Version 1.0

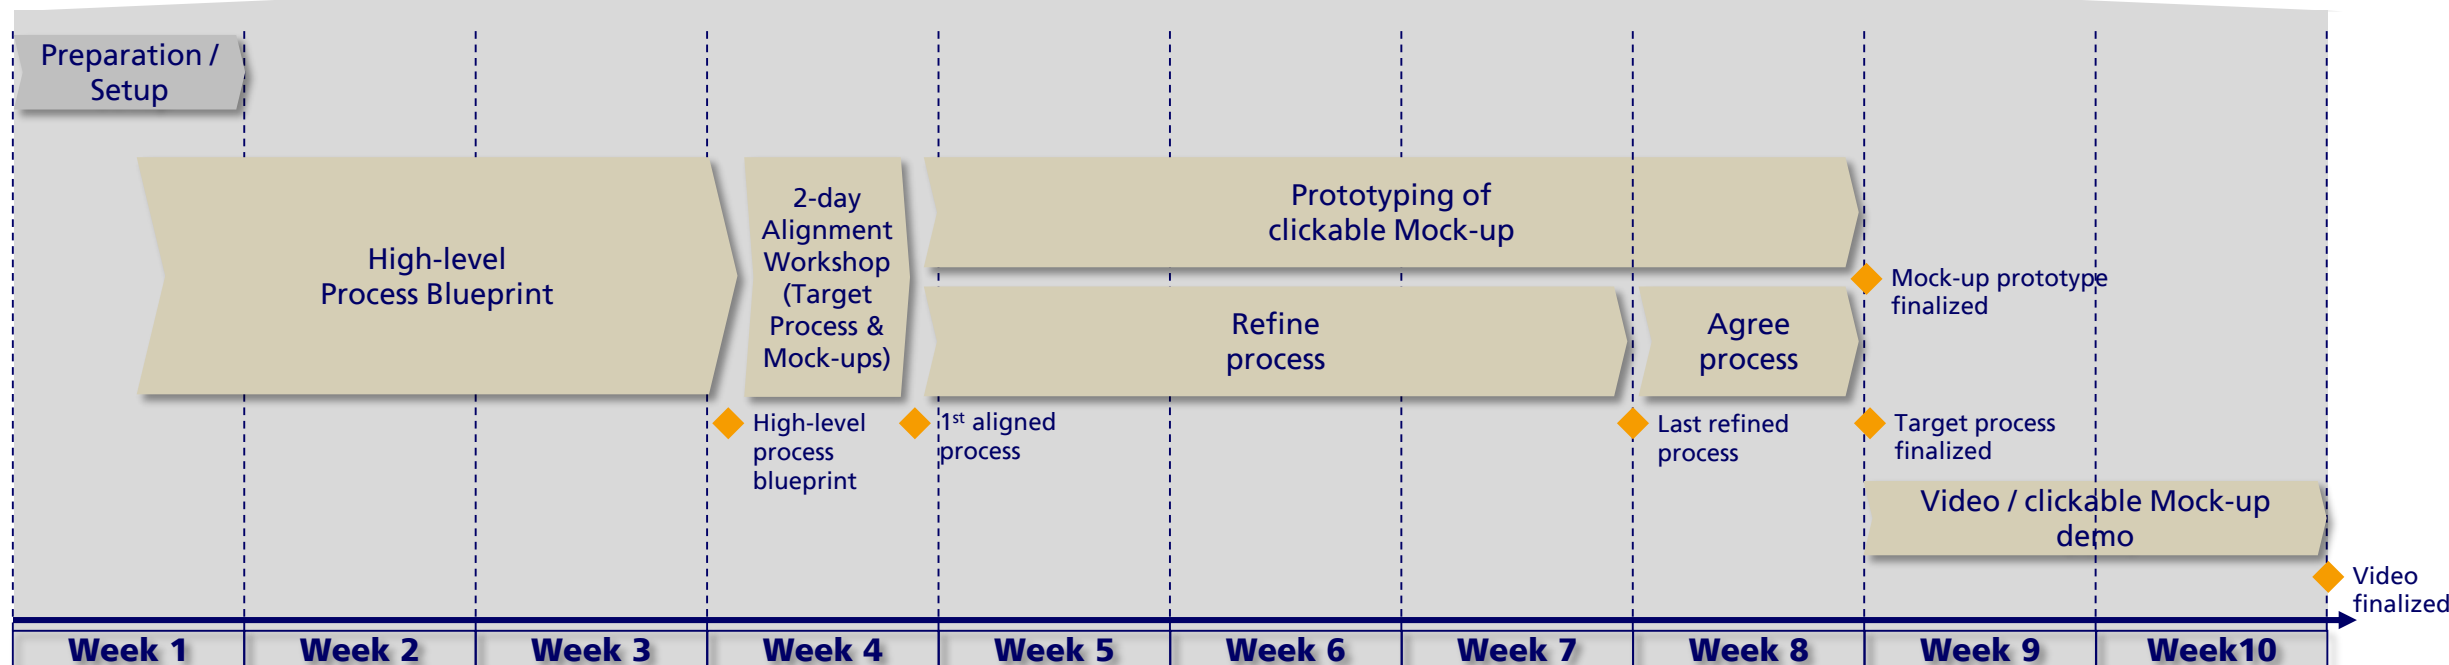

Proof of Concept focus on joint design of the target process and value-adding features by developing a clickable mock-up based prototype

Roadmap for joint development of mock-up based prototype within 10 weeks by Zurich, ABB, Nestle and Siemens to showcase new KYL solution

Create an unique User Experience
